March 20, 2015**

WHAT: Members of the Edgewater Drive Phase 2 Project Team will be meeting with Meadow Park Elementary School Kindergarten classes as they visit Spring Lake Park for an educational field trip. Sponsored by Charlotte Harbor Environmental Center, the students will be studying the environment and getting an up-close look at progress on the County's EP2 project. Children will be outfitted with construction hats and safety vests as they observe test piles being driven for the new Spring Lake Bridge and see how cranes and other machines are used on the site.

WHEN: Wednesday, March 25
10:30 a.m.

WHERE: Spring Lake Park
3520 Lakeview Blvd.

CONTACTS: Please call to confirm: Kara Minoui, PR counsel, Gravina, Smith, Matte & Arnold Marketing and Public Relations, 239-275-5758, KaraM@gdma.pro
