

FOR IMMEDIATE RELEASE

**PUBLIC SERVICE ANNOUNCEMENT:
Rescheduled: Water Interruption to Portion of Port Charlotte Service Area
Edgewater Drive Phase 2 Improvements**

PORT CHARLOTTE, Fla. (July 28, 2015) – As part of the Edgewater Drive Phase 2 Improvements that will widen Edgewater Drive from Harbor Boulevard to Midway Boulevard, the overnight water main shutdown originally planned for July 28 to July 29 has been rescheduled.

As a result, water service will be temporarily suspended to a portion of the Port Charlotte service area Tuesday, August 4 at 10 p.m. through Wednesday, August 5 at 6 a.m.

In advance of the project, Charlotte County Utilities (CCU) personnel will place door hangers on 209 homes from Midway Boulevard to W. Tarpon Boulevard to notify them of the shutdown. When service is restored, due to reduced system pressure from the shut-off of the water supply and as a precautionary measure, CCU is requesting that all customers in the affected area(s) listed boil water intended for drinking or cooking at a rolling boil for a minimum of one minute. Customers should boil water until further notice. CCU will notify all affected Customers with a rescission notice as soon as the water quality is confirmed to be at safe consumption levels. As an alternative, bottled water could be used. We apologize for the inconvenience.

Affected homes include:
